

## Christian Colleges and Universities:

---

### [National Association of Christian College Admissions Professionals \(NACCAP\):](#)

NACCAP is a leading and innovative organization recognized for effectively serving and engaging its students, parents and member schools by providing vital professional development and initiatives that champion the cause for Christian Education.

Hollywood Christian unapologetically promotes Christian Higher Education. Please view a sample of the nation's top Christian Higher Education Institution. See Mr. Mack for more details and recommendations.
